Good health and Quality of life that everyone can access

Nutrinal Inno Coffee

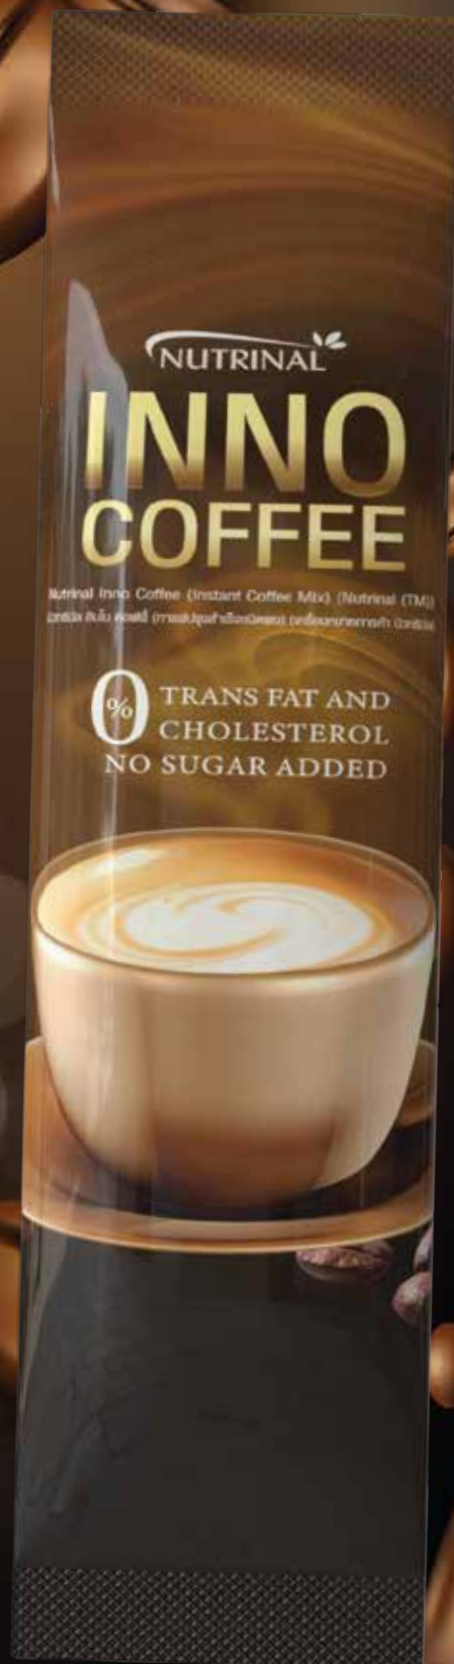

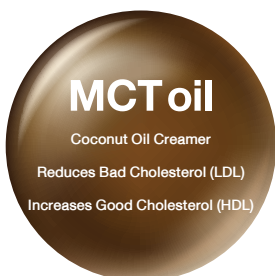

Coffee Moments , Confidence You.

Enjoy the blissful moment of coffee and feel the “confidence” that follows

Strong espresso coffee for health enthusiasts, developed from Robusta coffee and coconut oil creamer. No added sugar, easy to drink, strong aroma, refreshing, and relieves fatigue. Made with research-grade ingredients for metabolism, keeps you full for a long time, does not stimulate insulin. Suitable for those who care about their health every day.

Healthy Coffee Alternative

Strong, well-rounded, boosts metabolism

 **Concentrated with research-grade extracts**
Including: InnoSlim®, Green Tea, Garcinia and L-Carnitine, that work deep down at the cellular level.

 **Refresh and relieve fatigue**
Magnesium Citrate

 **Accelerate fat burning and reduce insulin resistance**
Stimulate AMPK + Adiponectin + GLUT4 for fat conversion to energy

 **Reduce appetite, stay full for a long time**
With MCT, White Kidney Bean and Cactus Extract, reduce the absorption of starch and sugar

How to take: 1-2 times a day as needed.
