White Tomato Extract is enhanced with innovative Liposome technology for delivering nutrients directly to the body's cells

Supports skin health

Helps to lighten skin tone

Revives and rejuvenates complexion

Improve skin tone color and texture

Decreases skin dryness and roughness

Maintains youthful appearance

2

**Vesta
LipoQuest™**

Ingredients

3

Hyafood® Healthy moisturizing factor
Food Grade Sodium Hyaluronate

(Hyaluronic Acid)

Tremella Mushroom Extract

Natural hyaluronic acid, a unique polysaccharide structure, has the ability to retain water in the skin and provide hydration comparable to hyaluronic acid

"Both replenish and stimulate the production of Hyaluronic Acid"

Locks in moisture, leaving skin

1,000 times

more hydrated than before

Hya Food (Tremella) From Tremella

It's called "**Pure natural hyaluronic acid**" extracted directly from white jelly ear mushrooms. In addition to its direct moisturizing properties, research indicates that Tremella Polysaccharide stimulates skin cells to produce their own hyaluronic acid, a key feature that hyaluronic acid from other sources generally lacks.

4

Glutathione has 3 precursor amino acids:

- **L-Glutamic acid** acts as the backbone of the glutathione molecule structure
- **L-Cysteine** gives glutathione its antioxidant properties.
- **L-Glycine** is the smallest amino acid and helps to make glutathione structure flexible.

5

Selenium Amino Acid Chelate

- ✓ Promotes Glutathione function
- ✓ Maintains Glutathione balance and availability
- ✓ Allows Glutathione to fully activate

6

CoEnzyme Q10

- ✓ Antioxidants
- ✓ Helps prevent cell damage
- ✓ Helps skin appear brighter and firmer

7

Ascorbic Acid

- ✓ It is a co-factor in glutathione synthesis
- ✓ It helps brighten the skin and reduce dark spots
- ✓ It stimulates collagen production

8

Niacinamide (Vitamin B3)

- ✓ Helps even out skin tone
- ✓ Helps reduce dark spots
- ✓ Helps strengthen the skin's protective barrier

9

Acerola Cherry Extract 5%

- ✓ A natural source of vitamin C, 30-80 times higher than oranges
- ✓ Antioxidant
- ✓ Slows down premature aging

10

Grape Seed Extract 95%

- ✓ It is an antioxidant
- ✓ Helps brighten skin
- ✓ Enhances collagen function

Results

Day 7

- ✦ Skin appears healthier, with increased moisture
- ✦ Skin is hydrated from within

Day 14

- ✦ Skin tone is more even, and dark spots appear to fade
- ✦ Skin is strengthened and protected from UV rays

Day 21

- ✦ Skin is visibly brighter and smoother
- ✦ Dark spots begin to gradually fade

Day 28

- ✦ Skin tone is visibly lighter by 0.5-1 shade
- ✦ Pores are tightened, skin is smoother
- ✦ Fine lines appear reduced

How to eat

Dissolve 1-2 sachets in 150-200 ml of room temperature water, **for best results, take 2 sachets**

daily on an empty stomach with

- **HI C 1000 mg max shot**
- **Mores Collagen**

Take continuously for radiant, healthy skin
