ACTIVE ENERGY BALANCING COFFEE

AMERICANO

INSTANT BLACK COFFEE MIX

Instant Black Coffee Mix (Nutrinal Coffee Americano) Energetic supplement in the instant mix powder is carefully selected with excellent quality arabica coffee beans that have been organically planning. The key ingredients are naturally filled with enzyme - balancing potential that nourishes stronger health.

- ④ Help brain functions for daily high performance
- ④ Balance body enzymes, making you fresher and more energetic even under stress
- ④ Control sugar-level and stimulate metabolism
- ④ Hydrate skin as it protects water loss under epidermal skin layer

Arabica Coffee

Arabica coffee beans are cultivated on a high mount Bolowen, Pak Chong, over 1,500 meters above sea level. Its temperature remains cool all year round. The area is rich of volcanic soil and minerals that help the coffee beans contain even higher quality nutrients. Through the organic cultivation, none of chemicals or pesticides are used; therefore, the coffee beans have high quality, smooth aroma and coffee rich taste.

Gynostemma pentaphyllum

Gynostemma pentaphyllum contains gypenosides that help balance enzymes, especially from work stress. It helps fresher and longer body performance for long hour working while stimulate concentration and memory to improve work efficiency.

Terminalia Extract

It helps balance the digestive system and increase nutrient absorption ability. It also helps cleanse the intestines because of its mild laxative potential to prevent constipation. It promotes normal digestive system functions.

RICH & SMOOTH AROMA

Rosemary Extract

It helps promote respiratory function and reduce irritating symptoms in respiratory system. It also balances the heart beat and the respiration level while reducing tiredness and relaxing your mind.

Kelp Powder

It reduces the process of fat accumulation in cells by reducing dividing fat cells and accelerating the enzyme that transforms fat into energy. It can also reduce the level of inflammation and help control sugar levels in the body.

L-Glutamine

L-glutamine is a major amino acid component in muscle cells. L-glutamine is a potent source of energy for the body that is important for body muscle functions. L-Glutamine is a nutrient that helps muscles repair after the injury or fatigue.

L-Leucine

It helps increase the production of Growth Hormone that stimulates the production of protein which is needed for muscle building. It helps strengthen muscle mass. So, it is ideal for weight loss while maintaining firm muscles. It also helps increase protein absorption that makes the body burn calories and transform into energy faster. It protects bone mass and strong muscles.

Pomegranate

Pomegranate has excellent antioxidants that stimulate the production of skin cells by building newer collagen production. It helps moisture the skin and nourish at deep skin layer to look firmer and brighter. It also prevents dry skin and dull look slow down aging mark due to its high potent of Vitamin C.

Red Blood Orange

A unique orange type that has a blood-like color with a substance called Tocyanin and Chrysantherin containing rich Vitamin C. This is classified as an antioxidant that helps control balancing enzymes in the body to protect the skin from collagen destruction. At the deeper layer of skin, this antioxidant booster helps skin remain hydrated and look brighter, even in a harsh and hot sunlight condition or air pollution.
